QUANTUM TECHNICAL SERVICES IS IN THE RACE TO WIN

Heatcraft Australia is pleased to announce the winner of the Race in 2 Win Competition is Quantum Technical Services, Air Conditioning contractor in Glendenning, New South Wales.

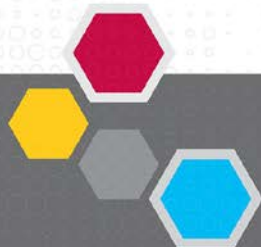

Richard Matthews, new CEO of Quantum Technical Services, was pleased to receive the news from his Account Manager Louie Delinicolis.

As the major prize winner, Quantum Technical Services will enjoy two (2) VIP tickets enjoying three (3) days of corporate suite hospitality at the Newcastle Coates Hire 500 V8 Supercars event on the 24th - 26th November. The company also has the opportunity to win \$250,000 CASH in a game of chance to be conducted at the Heatcraft Newcastle branch on the 24th November.

The Race in 2 Win competition has been running across all Heatcraft Australia branches since 7th August. Customers have been playing in-store via scratch cards, where they have had the chance to win instant prizes such as movie tickets, chocolates and wireless head phones. Hundreds of prizes have been awarded during the promotional period.

“We now look forward to the major event, being the chance to win \$250,000”, commented Heatcraft eBusiness & Communications Manager, Janina Geraghty.

“The last time we ran the Race in 2 Win promotion, our winning customer won the jackpot of \$100,000. We would be delighted if Quantum Technical Services enjoyed the same luck.”
