**Know someone who will thrive in our environment?  
We are looking for talented people - referrals are welcome!**

Should you wish to be considered for one of the above roles, please send your CV or expression of interest to the relevant contact person listed above.

### CUSTOMER SERVICE REPRESENTATIVE:

We are looking for an energetic, self-motivated, Customer Service Representative who is passionate about delivering exceptional customer service. If you are driven to work in a fast paced, sales focused and team orientated environment, this role may be for you. Whilst not essential, the ideal candidate will have basic Refrigeration or Air Conditioning knowledge, or basic mechanical aptitude.

#### Skills required:

- Refrigeration and or air conditioning knowledge, or have basic mechanical aptitude
- General sales experience
- Current forklift license preferred
- Preferably experienced with an ERP system

### BRANCH LEADER:

We are looking for an energetic, self-motivated Branch Leader who has great leadership qualities and is passionate about delivering exceptional customer service. If you are driven to work in a fast paced, sales focused and team orientated environment, this role may be for you.

#### Skills required:

- Experience leading a team
- Solid communication skills (verbal, written & listening) and computer skills
- Refrigeration and or air conditioning knowledge, or have basic mechanical aptitude
- Be customer focused and solutions orientated
