**We do
proper
copper.**

The MM Kembla brand means quality and reliability. We have been producing the very best quality copper products since 1916. MM Kembla delivers the industry's most extensive range of copper tubing, fittings, accessories, wire and rod. Our copper tube and fittings for use in high and low pressure refrigeration applications are created with a unique manufacturing process ensuring internal cleanliness.

MM Kembla's seamless refrigeration, air conditioning and medical gas tube provides you with the security of knowing you are taking no chances. Newly introduced PairCoil Max® provides a premium energy efficient, green building compliant solution that meets all refrigeration challenges. MM Kembla, quality and reliability. Inferior copper leaves us cold.
